Bay Area Air Quality Management District

Community Meetings

On the Draft Ozone Control Measures and the
Community Air Risk Evaluation (CARE) Program

Air pollution is a health and quality of life issue
that affects us all.

We are inviting all interested individuals and
organizations to learn about and provide input on
the proposed control measures to reduce ozone air
pollution in the Bay Area.

Also, come learn more about how the Air
District is working to improve public health
through our new Community Air Risk
Evaluation (CARE) program.
